

K 424 XC Mobile Box

The new K 424 XC combines the legendary quality of ZARGES cases with new mobility.

Product description

- The K 424 XC has excellent mobility and ergonomics owing to its integrated wheels and pull-out handles (for order no. 41810-41814) or second sprung drop handle on the end face (for order no. 41815).
- All-round beading and corner beading offer additional stability, allowing the box to withstand a load of up to 50 kg despite its low weight.
- Can be stacked securely thanks to stacking corners made of impact-resistant plastic and integrated stacking elements in the support frame. Also stackable with ZARGES K 470 boxes and Euroboxes.
- Can be fitted with an optional 125 mm wheel set or 220 mm off-road wheel set (for models with a volume of 60 litres and above) to improve its mobility on difficult terrain.
- Sturdy, mobile aluminium box with long service life.
- Optimum mobility through integrated 50 mm wheels and pull-out handle (order no. 41810-41814) or second sprung drop handle on the end face (order no. 41815).
- Extremely smooth-running due to special castors, \varnothing 50 mm, made from polyurethane and polyamide.
- ZARGES Comfort fasteners with extremely long service life, fitted with plug locks.
- High load-bearing capacity of up to 50 kg despite the low dead weight.
- UN approval for the transportation of hazardous goods possible at additional charge.
- Optional 125 mm wheel set or 220 mm off-road wheel set (for models with a volume of 60 litres and above) available for use in difficult terrain.
- All-round beading and corner beads for additional dimensional stability.
- A wide range of adjustable interior fittings ensure versatility.
- Lid equipped with peripheral foamed seal for protection against dust and splash water.

Hints and special features

Clearance dimensions approx. 30 mm less than inside dimensions (length and width). Special sizes on request.

Product features

Colour of the stacking corners: black
