Everest Plus 2E - 40468

Better footing at the top. The push-up ladder with 80 mm deep treads instead of rungs.

Product description

- Provides a safe place to stand for work at height. The push-up ladder with treads instead of rungs.
- Particularly light thanks to the combination of stepladder and rung ladder (hybrid design).
- The upper ladder is fitted with plastic wheels to prevent damage to walls.
- Height adjustment in increments of 280 mm.
- Upper ladder fitted with plastic wall wheels.
- Locks safely by means of hooks with lift-off retainer.
- Ladder width: 420 mm.
- Stiles and guide fittings of extruded aluminium sections for maximum safety.
- Replaceable 2-component plastic end caps ensure secure positioning without the risk of slipping.
