

Spring floor trolley W 162

The new ZARGES W 162 spring-loaded trolley - the best in its class! Central spring with the perfect spring force for any size, payload up to 150 kg, particularly stable and durable.

Product description

- Trolley with vertically movable floor and defined spring force.
- For ergonomic working without bending down - the movable floor always keeps the load at the same height.
- No abrasion due to anodized aluminum.
- Castors arranged centrally for easy manoeuvring, even in the most confined spaces.
- Up to 150 kg payload possible.
- Extensive range of accessories available.
